

Curriculum Vitae

Michael C. Ferris

Computer Sciences Department
University of Wisconsin
Madison, WI 53706
608-262-4281, 608-262-9777 (fax)
ferris@cs.wisc.edu

Home address:
2102 Jefferson Street
Madison, WI 53711
608-257-1428
<http://www.cs.wisc.edu/~ferris>

Personal Information

Birthdate June 18, 1962
Marital Status Married, two children
Nationality British (Permanent Resident, USA)

Academic Degrees

B.A. Mathematics, Churchill College, Cambridge 1984
M.Phil. Control Engineering & Operational Research, Churchill College, Cambridge, 1985
 Thesis: "Linear Programming and Minimum Weight Design – A Comparison of
 Methods for Solving a Class of Structural Optimization Problems."
M.A. Mathematics, Churchill College, Cambridge, 1988
Ph.D. Mathematical Programming, Churchill College, Cambridge, 1989
 Thesis: "Weak Sharp Minima & Penalty Functions in Mathematical Programming."

Professional Experience

1988– Professor 1998, Associate Professor 1994-98, Assistant Professor 1988-94,
 Computer Sciences and Industrial and Systems Engineering Departments,
 University of Wisconsin, Madison
2006– Professor (by courtesy) Mathematics Department, University of Wisconsin
06/03 Professeur Invité, Mathematics Department, University of Limoges, Limoges
2001-02 Guggenheim Fellow, Visiting Fellow, Exeter College, Oxford,
 and Visiting Professor, Oxford University Computing Laboratory
1988–2001 Member, Center for the Mathematical Sciences, University of Wisconsin
08/96, 12/98 Honorary Visiting Fellow, University of New South Wales, Sydney, Australia
1994–1995 Visiting Associate Professor, Department of Economics,
 University of Colorado, Boulder
07/89 Visiting Professor, Consiglio Nazionale Delle Ricerche,
 Istituto Di Analisi dei Sistemi ed Informatica, Rome
1980–81 Programmer, Programming Research Group,
 Oxford University Computing Laboratory, Oxford

Research Interests

Mathematical Programming, Modeling and Applications of Operations Research, Optimization in Medicine, Complementarity Problems, Grid Computation, Numerical Algorithms.

Professional Societies

Society for Industrial and Applied Mathematics, Institute for Operations Research and the Management Sciences, Mathematical Programming Society

Honours and Prizes

2006	Fellow of INFORMS
2006	Carolyn Rosner Excellent Educator Award, Computer Sciences Department, University of Wisconsin
2004	Sonoco Technology Award, Sonoco Products Company
2002	The William Pierskalla best paper award for research excellence in health care management science, Institute for Operations Research and the Management Sciences
2001-02	Guggenheim Fellowship
1999-01	Vilas Associate Award, University of Wisconsin
1997	Beale-Orchard-Hays Prize for Excellence in Computational Mathematical Programming, Mathematical Programming Society
1994	National Computational Science Award for Teaching Undergraduates, Department of Energy
1991	Presidential Young Investigators Award, National Science Foundation
1986–87	University of Wisconsin–Madison Chancellor’s Award
1986	Rayleigh Prize for Mathematics, Cambridge University
1985	Arthur Shercliff Memorial Prize, Cambridge University
1984–88	Science and Engineering Research Council Award, United Kingdom
1984–85	Churchill College Honorary Scholar, Cambridge University
1984	Wrangler, Mathematics, Cambridge University

Professional Activities

Chair	SIAM Activity Group on Optimization, (2008–10)
Executive Committee	Physical Sciences Division, University of Wisconsin (2005–08)
Co-Editor	Mathematical Programming (2001–present)
Associate Editor	SIAM Journal on Optimization (2002–present), Journal of Economic Dynamics and Control (2000–08), Optimization Methods and Software (1992–present), ACM Transactions on Mathematical Software (2004–present), Mathematical Programming (1997–2001), SIAM Journal on Control and Optimization (1992–97)
Editorial Board	MPS/SIAM Series on Optimization (2003–07), Communications on Applied Nonlinear Analysis (1994–present)
Member	INFORMS Nicholson Prize Committee (2008, Chair 2009), ICCOPT Steering Committee, Mathematical Programming Society (2008-09), INFORMS Dantzig Thesis Award Committee (2006-07), INFORMS Optimization Prize (2002), Beale-Orchard-Hays Prize Committee (2000), 1998 & 1999 Lanchester Prize Committees
Officer	Optimization Section of Institute for Operations Research and Management Sciences, 1997-98 (Vice-Chair), 1998-99 (Chair)
Referee	National Science Foundation; Department of Energy; Australian, British, Canadian, Dutch, Israeli, Norwegian and Swedish Research Councils. Various journals including SIAM Journal on Scientific Computing, Transportation Science, Applied Mathematics and Optimization, ORSA Journal on Computing, Computational Optimization and Applications, Mathematics of Operations Research, Naval Research Logistics Quarterly and Journal of Optimization Theory and Applications

Grants and Patents

Principal Investigator on various research grants from NSF, DOE, AFOSR, NIH, Microsoft and GAMS Corp. U.S. Patent 6,868,452 “Method for caching of media files to reduce delivery cost”.

Conference and Session Organizer

Member of Program Committee, ISMP 2009, ICCOPT II, SIAM Meeting on Optimization (2008, 1999)

Co-organizer of International Conference on Complementarity Problems (1995, 1999, 2002, 2005)
Cluster chair at ORSA/TIMS and INFORMS meetings; organizer and co-organizer of two workshops and many technical sessions; session chair at numerous local and international meetings

Advisors and Advisees

Total number of Ph.D. students advised: 9

(S. Billups, M. Cao, Q. Chen, G. Deng, S. Dirkse, J.–H. Lim, T. Munson, K. Sinapiromsaran, M. Voelker)

Ph.D. and Master’s advisors: E. Anderson, A. Philpott

Recent Colloquia

Numerous invited talks at U.S. and foreign universities and professional meetings.
