How to interpret your score:
  • If you scored in the 150s, wow!
  • If you scored in the 140s, great!
  • If you scored in the 120s or 130s, good.
  • If you scored in the 110's, well, OK but could be better; come talk to me?
  • If you got below that, please see me to chat about what went wrong and how to do better.
