

To access resources within the SupportLinc program from your smart phone or tablet, download the eConnect® mobile app today.

Available on the  
**App Store**

eConnect® is currently  
available for Apple and  
Android devices.

# eConnect® mobile app

Available on most smart phone and tablet devices, eConnect® Mobile provides access to secure and confidential counseling and helpful resources on a number of wellbeing and productivity-related topics.

- Chat or speak immediately with a licensed SupportLinc clinician.
- Request additional information regarding the SupportLinc program.
- Schedule an appointment with a SupportLinc professional.
- Review hundreds of tip sheets on topics such as stress, anxiety and depression.

## Support for everyday issues. Every day.
