Evaluation Mini Project Rubric

Days late:

Percent	Category	Exceeds Expectations - 4	Meets Expectations - 3	Below Expectations - 2	Far Below Expectations - 1
40%	Design	Experimental design full present and reasonable	Design has most information, but some important information is missing or incorrect methodology	Design has high-level information, but few implementation details or substantial methodological problems	Design is not explained
5%	Use of graphics	All graphics are related to the topic and make it easier to understand. Images convey technical detail. Figures are appropriately sized with appropriate captions/labels	All graphics are related to the topic and *most* make it easier to understand. Captions are mostly sufficient	All graphics relate to the topic. Captions lack enough information.	Graphics do not relate to the text – OR – no graphics. Captions or labels are not useful or illegible
10%	Organization	Information is very organized with clear titles and subheadings.	Information is organized with titles and subheadings.	Information is organized, but titles and subheadings are missing or do not help the reader understand.	The information appears to be disorganized.
30%	Evaluation	Evaluation explains and motivates methodology, and covers key questions about design. Results are explained.	Evaluation mostly explains methodology, covers most questions about design. Some results explained	Explanations missing, key questions not covered. Results described but not explained.	Methodology is not explained or motivated, major questions about design not answered
10%	Structural elements	All required structural elements with requested content	Most structural elements present with most of requested content	Significant missing content	Missing elements and content
5%	Mechanics	No formatting, grammatical, spelling or punctuation errors.	Almost no formatting, grammatical, spelling or punctuation errors.	A few formatting, grammatical, spelling or punctuation errors.	Many formatting, grammatical, spelling or punctuation errors.

Grade: _____/10
