

MAURICE WILKES AWARD

Call for Nominations

The recipient will be selected for an outstanding contribution to computer architecture made by an individual whose computer-related professional career (graduate school or full-time employment), began no earlier than 20 years prior to the time of nomination.

The recipient of the Maurice Wilkes award will receive a \$2,500 prize and will be invited to accept the award at ISCA 2002 in Anchorage, Alaska.

Nominators should submit a 1-2 page description of why their candidate is eligible* for the Maurice Wilkes Award including (if possible), a URL pointing to the home page of the candidate. Letters of support are welcomed, but not required.

Nominations should be submitted electronically to a member of the SIGARCH Awards Committee by April 15, 2002:
