

**CS 812**  
**Spring 2024**  
**Homework #0**

Please fill in the questionnaire below and bring it to class on Friday, January 26, 2024.

- 1) Put your name and preferred e-mail address somewhere on this page.
- 2) What is your major area of interest?
- 3) Why are you taking this course? (E.g. “minor area requirement,” “desperately need thesis topic,” etc.)
- 4) I would like to get some idea of what you already know. Please tell me which courses you have taken, if any, in the following areas.
  1. Algorithms, complexity theory.
  2. Other computer science.
  3. Modern algebra and/or number theory.
  4. Probability and/or statistics.
  5. Other math.
- 5) What else should I know about you?
