CS 537: Intro to Operating Systems (Summer 2017)
Midterm Course Evaluations
July 13$^{\text{th}}$, 2017 (Thursday)

1. The usefulness of the instructor's presentations in learning the course subject matter:

```
    USELESS                                       ESSENTIAL
       1          2          3          4            5
```

2. The instructor's command of the course material:

```
    USELESS                                  EXTREMELY STRONG
       1          2          3          4            5
```

3. The instructor's responsiveness to student questions:

```
 TOTALLY UNRESPONSIVE                     EXTREMELY RESPONSIVE
       1          2          3          4            5
```

4. The enthusiam shown by the instructor in teaching:

```
    APATHETIC                              VERY ENTHUSIASTIC
       1          2          3          4            5
```

5. Availability of the instructor for out-of-class contact:

```
  NEVER AVAILABLE                               REMARKABLE
       1          2          3          4            5
```

6. Value of handouts prepared by the instructor:

```
    USELESS                                     VERY USEFUL
       1          2          3          4            5
```

7. Would you **recommend** the **course**?

```
  DEFINITELY NOT                              YES, DEFINITELY
       1          2          3          4            5
```

8. Would you **recommend** the **instructor**?

```
  DEFINITELY NOT                              YES, DEFINITELY
       1          2          3          4            5
```
