

# Alfred P. Sloan Research Fellowships 2010

The Alfred P. Sloan Foundation is proud to announce and congratulate the winners of the 2010 Sloan Research Fellowships. The award is given annually to 118 early career scientists and scholars who demonstrate outstanding promise and potential to contribute substantially to their fields. Many past recipients have gone on to win Nobel Prizes, National Medals of Science, Fields Medals, John Bates Clark Medals, and numerous other distinguished awards.
