

unitTypeOrderCompare

```
graph LR; A[getUnitType] --> B[unitTypeOrderCompare];
```

A diagram showing a call from `getUnitType` to `unitTypeOrderCompare`. The `getUnitType` box is white with a black border, and the `unitTypeOrderCompare` box is gray with a black border. A blue arrow points from the right side of the `getUnitType` box to the left side of the `unitTypeOrderCompare` box.

getUnitType
