

Aiur/include/BWAPI/DamageType.h

```
graph TD; A[Aiur/include/BWAPI/DamageType.h] --> B[string]; A --> C[set];
```

The diagram illustrates a header file, `Aiur/include/BWAPI/DamageType.h`, which includes two standard C++ libraries: `string` and `set`. Two blue arrows point from the header file box to the `string` and `set` boxes, indicating the inclusion relationship.
