

Aiur/include/BWAPI/Force.h

```
graph TD; A[Aiur/include/BWAPI/Force.h] --> B[set]; A --> C[string];
```

The diagram illustrates a header file, `Aiur/include/BWAPI/Force.h`, which includes two standard C++ containers: `set` and `string`. Two blue arrows point from the header file box to the `set` and `string` boxes, indicating the inclusion relationship.
