The diagram illustrates a header file being included by two source files. At the top, a grey rectangular box contains the header file path: `SnippyHolloW-BroodwarBotQ-f01ab56/src/Micro/Units/ProtossFlying/ObserverUnit.h`. Below this, two white rectangular boxes represent source files. The left box contains `SnippyHolloW-BroodwarBotQ-f01ab56/src/Micro/Units/BayesianUnit.cpp` and the right box contains `SnippyHolloW-BroodwarBotQ-f01ab56/src/Micro/Units/ProtossFlying/ObserverUnit.cpp`. Two blue arrows point from the bottom of each source file box to the bottom of the header file box, indicating that both source files include the header.
