

SnippyHolloW-BroodwarBotQ-f01ab56/src/Macro/RectangleArray.h

```
graph TD; A[SnippyHolloW-BroodwarBotQ-f01ab56/src/Macro/RectangleArray.h] --> B[string]; A --> C[iostream];
```

The diagram illustrates the dependencies of the header file `SnippyHolloW-BroodwarBotQ-f01ab56/src/Macro/RectangleArray.h`. Two blue arrows point from the header file box to two separate boxes below it, labeled `string` and `iostream`, indicating that the header file includes these two standard C++ libraries.

string

iostream
