

includeNova/BWAPI/Race.h

```
graph TD; A[includeNova/BWAPI/Race.h] --> B[string]; A --> C[set];
```

A diagram illustrating a C++ header file's dependencies. At the top, a gray rectangular box with a black border contains the text `includeNova/BWAPI/Race.h`. Two dark blue arrows originate from the bottom center of this box. The left arrow points diagonally down and to the left, ending at a white rectangular box with a gray border containing the text `string`. The right arrow points diagonally down and to the right, ending at a white rectangular box with a gray border containing the text `set`.
