

messages::Bullet::set_type

```
graph LR; A[messages::Bullet::set_type] --> B[messages::BulletType_IsValid]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray fill and a black border, containing the text 'messages::Bullet::set_type'. The right box has a white fill and a black border, containing the text 'messages::BulletType_IsValid'. A dark blue arrow points from the right side of the left box to the left side of the right box.

messages::BulletType_IsValid
