The diagram illustrates a header file inclusion relationship. At the top is a grey rectangular box containing the header file path: `quorum/ExampleAIModule/MarineSupportSquadron.h`. Below this box are two white rectangular boxes. The left box contains the source file path: `quorum/ExampleAIModule/MarineSupportSquadron.cpp`. The right box contains the source file path: `quorum/ExampleAIModule/SquadTacticsModel.cpp`. Two blue arrows point from the bottom of the left and right boxes towards the bottom of the top box, indicating that both source files include the header file.
