

CrawlingBallAttack::eraseDead

```
graph LR; A[CrawlingBallAttack::eraseDead] --> B[MicroTacticsModel::getUnit]; A --> C[BWAPI::Unit::getHitPoints];
```

The diagram illustrates a function call relationship. A central box on the left, labeled 'CrawlingBallAttack::eraseDead', has two blue arrows pointing to two boxes on the right. The top box is labeled 'MicroTacticsModel::getUnit' and the bottom box is labeled 'BWAPI::Unit::getHitPoints'.

MicroTacticsModel::getUnit

BWAPI::Unit::getHitPoints
