The diagram illustrates a file dependency structure. At the top is a header file box labeled 'trunk/bwapi/TestAIModule/Source/DefaultTestModule.h'. Below it are two source file boxes: 'trunk/bwapi/TestAIModule/Source/DefaultTestModule.cpp' on the left and 'trunk/bwapi/TestAIModule/Source/Dll.cpp' on the right. Blue arrows point from each source file box up to the header file box, indicating that both source files include the header.
