

BWAPI::UnitType::requiresPsi

```
graph LR; A[BWAPI::UnitType::requiresPsi] --> B[BWAPI::Type::getID]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text "BWAPI::UnitType::requiresPsi". A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text "BWAPI::Type::getID". Both boxes have a thin black border.

BWAPI::Type::getID
