

Yuh-Jye Lee

Curriculum Vita

University Address:

Computer Sciences Department
University of Wisconsin-Madison
1210 West Dayton Street
Madison, WI 53706-1685
Telephone: 002-1-608-262-6619
Email: yuh-jye@cs.wisc.edu
<http://www.cs.wisc.edu/~yuh-jye>

Biographical Data

Male.
Born January 27, 1968 in Taipei, Taiwan.

Education

Ph.D. in Computer Sciences, University of Wisconsin-Madison, August 2001 (expected).
M.S. in Applied Mathematics, National Tsing Hua University, Taiwan, June 1992.
B.S. in Applied Mathematics, Chinese Culture University, Taiwan, June 1990.

Research interests

My research interests are Data Mining, Machine Learning, Operations Research and Mathematical Programming. I develop the new algorithms for large data mining problems such as classification problem, clustering and regression (linear and nonlinear). Using the methodologies such as support vector machines, chunking and smoothing techniques allow us to get a very robust solution (prediction) for a large dataset. I also apply these methods to solve many real world problems. An important aspect of my research is the use of data mining techniques in the breast cancer prognosis.

Teaching interests

I am interested in teaching courses such as Data Mining, Artificial Intelligence, Machine Learning and Optimization (linear, nonlinear, integer and dynamic programming). These courses can be ranged over a broad spectrum that encompass undergraduate level as well as graduate school level. I can also teach many mathematical and statistical courses such as Calculus, Linear Algebra, Numerical Analysis, Probability, Stochastic Process and Statistical Inference.

Work Experience

1999-present: Research Assistant, O. L. Mangasarian,
Computer Sciences Department, University of Wisconsin-Madison.

1996-1999: Teaching Assistant,
Computer Sciences Department, University of Wisconsin-Madison.

1994-1995: Administration Assistant, International Mathematics Olympiad,
Mathematics Department, National Taiwan Normal University.

1992-1994: Platoon leader, R.O.C. Marine.

Publications

Survival-Time Classification of Breast Cancer Patients
Yuh-Jye Lee, O. L. Mangasarian and W.H. Wolberg
Data Mining Institute Technical Report 01-03, Mrach, 2001,
DIMACS Workshop: Data Mining and Scalable Learning Algorithms, Rutgers University,
August 22-24, 2001, submitted. <ftp://ftp.cs.wisc.edu/pub/dmi/tech-reports/01-03.ps>

RSVM: Reduced Support Vector Machines
Yuh-Jye Lee and O. L. Mangasarian
Data Mining Institute Technical Report 00-07, July, 2000,
First SIAM International Conference on Data Mining, Chicago, April 5-7, 2001.
<ftp://ftp.cs.wisc.edu/pub/dmi/tech-reports/00-07.ps>

Breast Cancer Survival and Chemotherapy: A Support Vector Machine Analysis
Yuh-Jye Lee, O. L. Mangasarian and W.H. Wolberg
Data Mining Institute Technical Report 99-10, December, 1999,
DIMACS *Series in Discrete Mathematics and Theoretical Computer Science*,
Vol. 55 (2000), 1-10. <ftp://ftp.cs.wisc.edu/pub/dmi/tech-reports/99-10.ps>

SSVM: Smooth Support Vector Machine for Classification
Yuh-Jye Lee and O. L. Mangasarian
Data Mining Institute Technical Report 99-03, September, 1999,
Computational Optimization and Applications, to appear.
<ftp://ftp.cs.wisc.edu/pub/dmi/tech-reports/99-03.ps>

A Non-weakly Balanced Game with Nonempty Bargaining Set
Chih Chang and Yuh-Jye Lee
Journal of Mathematical Economics 22 (1993), 195-198.

Conference Presentations

Survival-Time Classification of Breast Cancer Patients
UW-Madison Data Mining Institute Annual Review, June 1, 2001.

RSVM: Reduced Support Vector Machines
First SIAM International Conference on Data Mining, Chicago, April 5-7, 2001.

Smooth Support Vector Machines & Breast Cancer Prognosis with Chemotherapy
UW-Madison Data Mining Institute Annual Review, June 2, 2000.

SSVM: Smooth Support Vector Machines
Institute for Operations Research and the Management Sciences Fall 1999 Meeting,
Philadelphia, Pennsylvania, November 9, 1999.

Professional Activities and Services

Member of INFORMS

Journal Referee :

Optimization Methods and Software
Journal of Optimization Theory and Applications

Honors and Awards

Member, Phi Tau Phi Honorary Society, 1992.

SIAM Student Travel Award, 2001,

First SIAM International Conference on Data Mining.

Technical Skills

Experience and knowledge in:

Programming Languages: C++, Java

Mathematical tools: MATLAB, GAMS, CPLEX

Operating systems: Windows 95/98/NT, UNIX

Application software: Excel, PowerPoint

Research and Academic References
